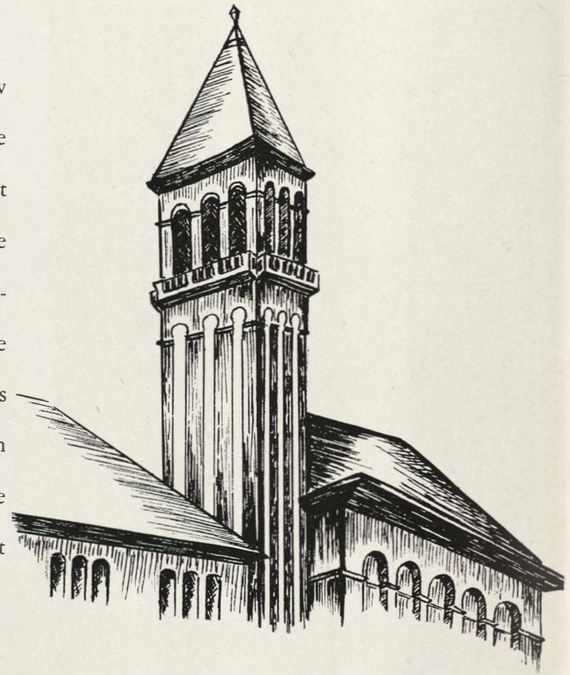
The First Decade



of the life of Wyandotte High School in her new home has been completed. For eleven years these massive red brick towers have been outlined against the Kansas sky, their sturdy stability symbolic of the soundness and worth of American education. Students have entered here, have passed through these halls day by day, and from their numbers ten classes of seniors have been graduated. And so today, on the decennial anniversary of our school we dedicate the Quiverian to that first decade, but also to the next decade and all those to follow.

We have tried to picture that building for you; first conceived in the minds of architects Joseph W. Radotinsky and John L. Hamilton, constructed in three years by an army of workmen, it has been described as a tribute to modern school architecture, embodying as it does the facilities for the most complete secondary education possible.

Those years the building was under construction the students had had no school building at all, taking their classes at odd hours of the day in various other schools of the city. Many had never been in a high school building, and those who had could only remember the old building, ancient in structure, small, crowded, and located in a noisy downtown district. And so it was with enthusiasm that students and townspeople read the reports: the largest high school building west of the Mississippi, capable of handling 3,000 students, the most complete library possible in a high school building, the most up-to-date gymnasiums, huge cafeterias and kitchen, 60 foot swimming pool, well equipped shops and laboratories, a large auditorium designed for artistic as well as acoustic value, a twenty-eight acre beautifully landscaped campus—the list could go on and on. September 9, 1937, in a ceremony made colorful by military pomp, and given national radio and film coverage, this building, outstanding among high schools the country over, was dedicated and opened.

by the Editor

We are justifiably proud to picture the physical appearance of Wyandotte in these pages, but we have undertaken another task also, perhaps even more important. Since any school, no matter how grand its structure, cannot be truly great without the people to make it so, we have tried to represent the people who comprise the school community.

Six thousand four hundred and thirty-six seniors have graduated from Wyandotte in these eleven years, and have left behind them memories and traditions that are as much a part of Wyandotte as the very walls themselves. The championships taken by the athletic teams, the reputation of our music and speech departments, the issues of Pantographs, Pencrafts, and Quiverians, have all been added to the history of that decade.

And yet looking backward is only a part of the dedication of the yearbook this year. We can do more than write a dedication to the past alone, but can say, in truth, that it is to the greater successes, the triumphs to come in the decades which follow, that we dedicate this, the Wyandotte Quiverian for 1948.

Ray Evans, All-American

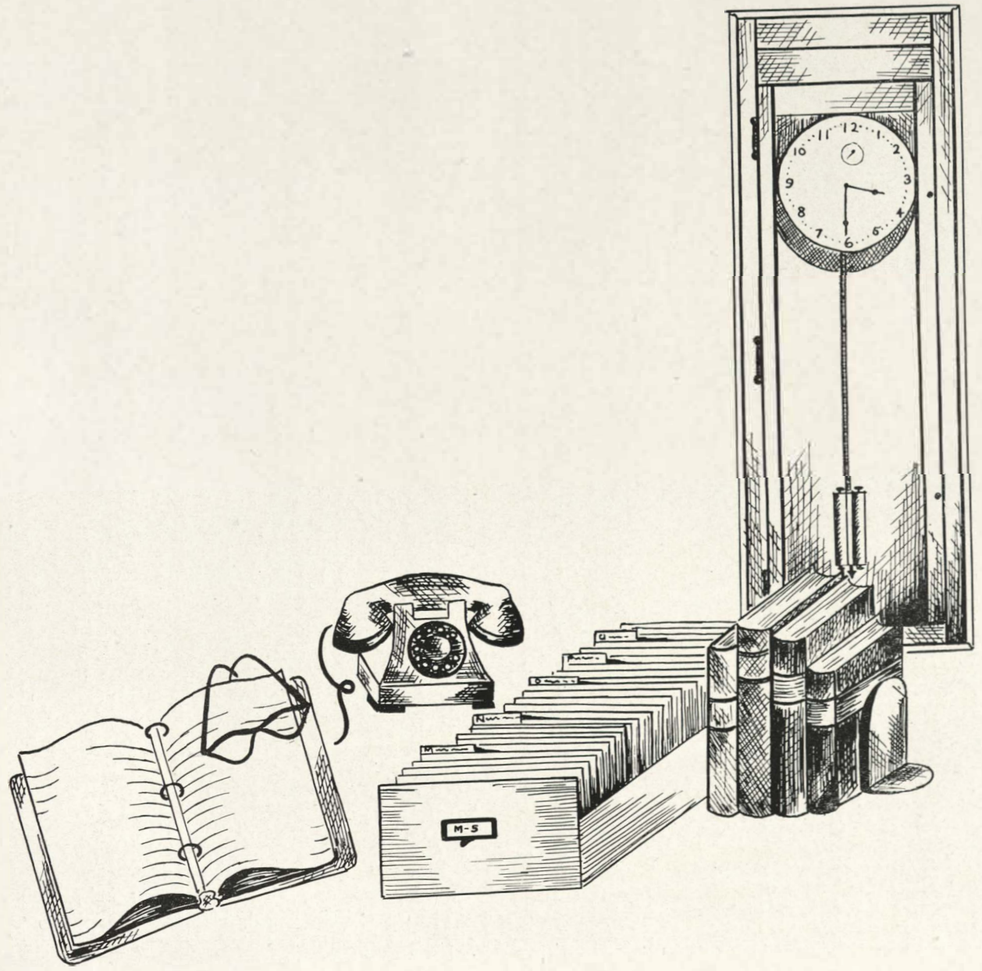
Wyandotte High School is proud to claim Ray Evans as one of her own. We remember Ray as an outstanding personality, a school leader in the best sense, a good student —one who knew what he wanted and worked hard to get it.

Of course, Ray Evans was a top-flight athlete at Wyandotte. A star in baseball, basketball, and football, he was twice all-state in basketball and in 1939 was the first Wyandotte player to earn a place on the all-state football team.

Ray Evans left Wyandotte with the class of 1940. His record at the University of Kansas is outstanding, even though it was interrupted by service in the Army Air Force during the war. A great team player, Ray is modest and unassuming but he led the Jayhawkers to a tie for the Big Six football championship two years in a row.

Then to climax his athletic career, Ray Evans was the first Kansan ever to be named All-American by the football experts of the country. Coach George Sauer called him "the greatest back I've ever seen." Yes, we at Wyandotte are proud to claim Ray Evans.

The School



Principal

Wyandotte has recently completed ten years of outstanding accomplishment in a modern, beautifully constructed building. Now we are starting the second decade and there are new courses to be added and new methods to be followed. Education must always emphasize training for life's occupations, but we must not neglect the teaching of honesty, thrift, self-reliance and other virtues which are essential to "the good life."

The Quiverian staff is to be commended for its excellent interpretation of the everyday activities at Wyandotte.

R. C. Johnson.

Superintendent

There is no more important work than that of properly educating our youth. To accomplish this task a plan of action and a well rounded philosophy of education are necessary. Emphasis in education varies according to the needs and capacities of the individual and in keeping with the situation concerned. Present-day living and preparation for living in the future are the goals of public education. Wyandotte High School is designed to provide these necessary requirements of a modern school program.

F. L. Schlagle.

Vice-Principal

School records include the daily records of attendance which are the answer to questions on regularity and punctuality, points about which future employers are always interested. The other records are those of courses taken, grades made, and of extracurricular honors won. These records present a picture of what has been accomplished, and are of lasting importance to the pupil. Our files contain all of the records for each pupil since the school first opened in 1886.

J. C. Hume.

Guidance Director

In the Guidance Office students will find assistance in making their plans. Whether planning for immediate entry into careers or for further education, students are welcome.

The placement service helps students find part-time employment while in school, summer work, and regular full-time employment for those who are completing their schooling.

Front row: Mary Batty, Elizabeth Swigart, Susan McKee, Jo Anne Phillips, Mary Cordonier, Shirley Lacy, Patsy Bell, Martha Lasley, Mary Clevenger.

After two years of growth, the Student Council is developing into an accomplished organization. Each year more authority is given, thus making an increased responsibility for every member.

During the past year the Council has conducted ushering for new students, P. T. A. meetings, and Know Your Job Day. It has also sponsored mixers after games, the March of Dimes drive, food donations to orphanages, and other activities.

Being a member of the National Organization for Student Councils, it was necessary to draw up a constitution. This was done by a special committee before adoption by the Council. Other committees such as the Lost and Found, Study Hall, Mixer and Music, Light, and Building and Grounds were always on hand to aid the school in any matter.

Officers for the year were, Clarence (Corky) Brown, president; Kenneth Collins, vice-president; Betty Ogden, secretary; and Esther Metaxas, treasurer. These elected students were again invited to the annual Kansas High School Student Council conference held at Lawrence, Kansas, this year. Miss Judith Stapleton, sponsor, accompanied the group.

Under the new constitution, the officers and one representative from each homeroom will be elected at the end of the school year. This will give the council a chance to go into operation at once when school takes up next fall.

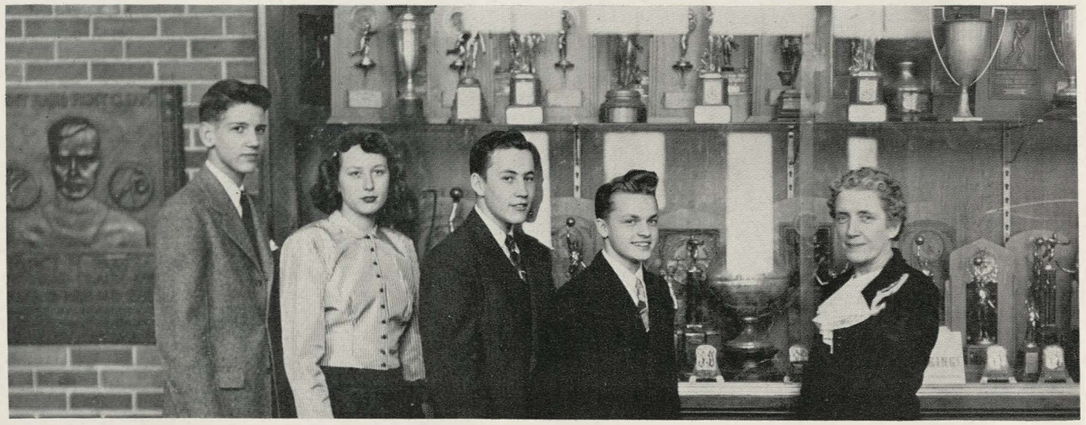
Sophomore Class Officers

by NORALIE BOYLES

Left to right: Robert Medearis, treasurer; Keith Jensen, vice-president; Billie Payton, secretary; Steve Mermigis, president; Mr. Lester C. Ramsey, sponsor

Having the distinction of being the largest class at Wyandotte, the 585 sophomores have lived up to all expectations of being an outstanding class. The larger part of the class was under the handicap of being new to the building, coming from Northwest and Central Junior Highs. It didn't take them long, however, with the help of their sponsor, Mr. Ramsey, to get into the full swing of things. In the early part of the winter they worked with the Student Council and sponsored a mixer. Later on in the year they had an assembly and enjoyed the talents of their own classmates. After completing a successful year they feel that they are entitled to shake off the title of "underclassmen" and take up the duties of the "upperclassmen."

Freshman Class Officers



Left to right: Gary Bruce, vice-president; Donna Fromm, secretary; Edward Billings, treasurer; Richard Meyers, president; Miss Moles, sponsor

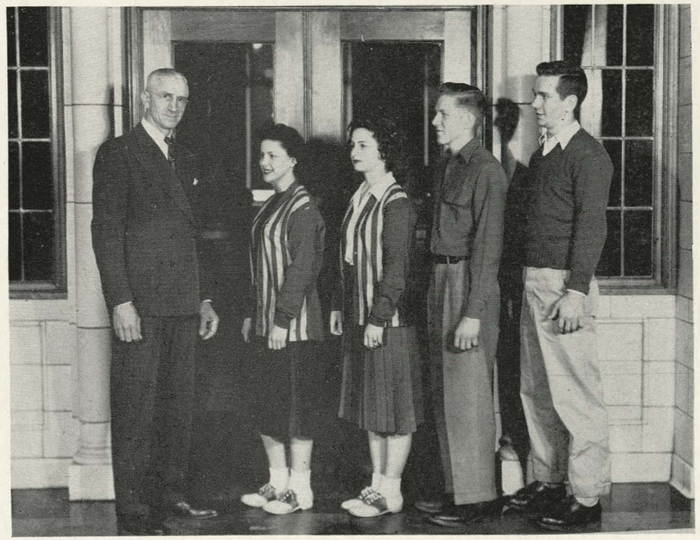
This year's freshman class, sponsored by Miss Moles, has been one of the most active in the history of Wyandotte. It has been the custom through the years for underclassmen to be confused and bewildered upon entering the large, strange building in the fall, but not these freshmen. The first thing on their agenda was a trip from stem to stern through the building. Not long after that they had a dance "for freshmen only" that turned out to be quite a success. As if all this in the fall weren't enough, they continued their activities through the winter by means of a pep club with cheerleaders of their own, and turned out in full strength for the frosh basketball games. In the early spring they made up an assembly using their own talent in all its varied forms. Probably the most surprising thing about the class of '51 is that all this has been done by the smallest class, being only 230 strong. With all their pep and vitality they give promise of being an outstanding class in their three remaining years in the halls of Wyandotte.

Junior Class Officers

by SHIRLEY RHODES

This year, the 580 members of the Junior class took time out from the business of being upperclassmen to present the three-act comedy play "We Shook the Family Tree." Under the guidance of their sponsor, Mr. David Gray, the busy juniors brought the year's round of activities to a close by honoring the seniors at the annual Junior-Senior Prom.

Next year's seniors are now eagerly awaiting the day when they will take over the reins of school leadership.



Left to right: Mr. Gray, sponsor; Alyce Walker, treasurer; Genevieve Krapes, secretary; Carl Ambler, president; Don Kraft, vice-president.

"We Shook the Family Tree"

The play chosen for presentation by the Junior class this year was an hilarious, three-act comedy entitled "We Shook the Family Tree." This fast moving story that kept the audience in stitches dealt with the problems of teen-age Hildegarde, who was tired of being a wallflower and in her efforts to change her status on the date parade caused near panic throughout the neighborhood. Although her intentions were good Hildegarde's every act seemed to complicate matters further. Freddie (Short Pants) Shermer, his dramatic mother, and Hildegarde's inimitable family added to the hilarity. Altogether the play was full of unforgetable moments. Director William Knapp, all the members of the cast and those connected with the production of "We Shook the Family Tree" are to be congratulated.

Wyandotte is well-kept by her maintenance staff under the direction of Mr. Henry Kearney. Floors and halls are always shiny clean; windows, bright and clear; and the furniture is spotless.

Wyandotte has Ed Lander and his engineers to thank for the even temperature that is maintained through all kinds of weather.

Neat, trim, and beautiful! That's the way Wyandotte's campus is kept the year around. Spring, summer, and fall find the grass mowed and the shrubs trimmed. And when the snow flies, it's just a jiffy before all the walks are cleared.

Vitamin-filled food! That's what Wyandotte has in her cafeteria. And delicious food it is, too. Under the direction of Mrs. Norma Wood, these busy ladies do their part in keeping Wyandotte students healthy and well-fed by preparing meals that include foods from each of the basic seven food groups. After eating a tasty meal, you may top it off with a piece of cake or pie that is fresh out of the oven. Besides cooking and serving, these ladies are experts in cleanliness.

It consists of the A Cappella Choir, three elementary and two advanced glee club classes. The A Cappella Choir has participated in many programs, one of the most outstanding being the annual Christmas service. Every other year the vocal department presents an operetta and the other years they assist the instrumental department in a musical show. Students of the musical department have performed individually and in large groups in school, church, and community meetings during the year.

Instrumental Music

More and more the trend of modern education has been toward recognition of the value of training young people in practical things—things that will be of use to them in their later lives, either in helping them to earn a living or as pleasant hobbies. As a result many valuable activities of skill and culture that once had to be extracurricular are now a part of the curriculum.

Chief among these at Wyandotte High School is the department of instrumental music, where students attain high degrees of skill with their chosen instruments and a background of musical culture that will be invaluable to them—to some as a vocation, to others merely as recreation, but to all a life-long pleasure.

The Marching Band, which, with its corps of attractive Majorettes, forms a colorful and enthusiastic background for all athletic contests, the Symphony Orchestra, which furnished incidental music for all plays as well as its own fine concert, and smaller groups of accomplished musicians selected from these large organizations have become indispensable parts of our school life. These organizations have attained national prominence for the excellence of their work. Wyandotte High School is proud of them.

Quiverian

by JANET GREGORY

Left to right: Betsy Swigart, Marie Maze, Janet Gregory, Noralie Boyles, Betty Hatfield.

A year of quiet but steady work went into the creation of your Quiverian for the year 1948. In September, after tentative plans had been made by Marie Maze, senior editor, Betty Hatfield, activities editor, and Noralie Boyles, club editor, the outline for the book was arranged. Betsy Swigart went to work designing the cover and other art work throughout its pages. Mr. Lawrence Tharp, sponsor, took charge of photographing the activities at Wyandotte, besides his regular work of guiding and directing the staff in its work.

As the seasons for the various sports came around, Kenith Howard, Joe McCaughey, Robert Youmans, Vincent Wells, Genevieve Kolich, and John Welsh covered the events and recorded them.

Since a large part of Quiverian work is typing, and the cutting and pasting of pictures, Norene Buckles, Shirley Jenkins, Eileen Krueger, Peggy Moore, Shirley Rhodes, Shirley Snodgrass, and Jean Trantum all contributed their study hours to help on this, besides doing much of the writing. And for the remaining clubs and activities we turned to Ruth Abramson, Pat Brandt, Eleanor Guy, Arlene Heimburger, Dolores Hilt, Esther Metaxas, and Phyllis Riley for the write-ups. Joan Stroup worked as a photographer early in the year.

The staff, one of the largest the Quiverian has ever had, has done its best to produce a book to please each and every Wyandotte student. It is our sincere hope that when another ten years has passed you will be able to glance over a copy of the Quiverian and see an accurate portrait of Wyandotte in 1948.

Pantograph

by RUTH LOIS ABRAMSON

To promote the interests of Wyandotte High School, to encourage better school spirit, and to act as a medium of expression between the student body and the faculty, have been the principal goals of the fourteen journalistic seniors on the 1947-'48 Pantograph staff under the guidance of Mr. G. W. Corporon, advisor.

A special edition commemorating the tenth anniversary of the new Wyandotte, special editions honoring the football, basketball, and swimming teams, and a cub edition were included among the 30 issues put out this year.

Eleven staff members received invitations to Quill & Scroll, international society for high school journalists. Chloris Larson received special recognition in the "National Echo" for several of her feature stories. Ruth Lois Abramson won honorable mention in a national Quill & Scroll editorial contest.

Outstanding event of the year and one that will long be remembered was the annual staff-cub party given by the cubs.

Debate

by SHIRLEY JENKINS

Carl Ambler, Janet Gregory, Shirley Jenkins, Bill Kerr.

The debate squad this year participated in five tournaments, bringing home second place trophies from Atchison and Pittsburg, and taking third place in the Regionals.

For the first meet of the season the Barking Dogs traveled to Topeka, where they failed to place. Undismayed, the following week they journeyed to the Tri State meet at Pittsburg to battle their way through six rounds, defeat El Dorado in the semi-finals and lose only to Russell in the finals.

Shawnee Mission was the next tournament which the debaters attended and it was also the first tournament of the year in which four man teams were used. Though Wyandotte came through six preliminary rounds they lost, in a mathematical finish, to El Dorado in the semi-finals.

Early in January, Wyandotte was host to its eleventh annual invitational tournament. Twenty-one schools were entered representing debaters from both Kansas and Missouri. Though the Wyandotte team was eligible for the semi-finals they dropped out after the elimination rounds. William Chrisman captured the first place trophy with El Dorado taking second.

The final tourney of the season for the squad under Coach Jensen was held at Atchison. With verbal thrusts and parries, with ringing rebukes and stinging rebuttals the battling Bulldogs stormed through to the semi-finals where they defeated their old nemesis, Topeka, and in a very close debate lost to El Dorado in the finals.

The regionals were held once again at Lawrence, Kansas, and here the Bulldogs took third. The winner of the state meet was, for the second year in succession, Russell. Wichita North captured the second place trophy.

The debate class was one of the largest in the history of Wyandotte, with thirty-one students out for debate. The squad won better than 85 per cent of the debates in which it participated. In the words of Coach Jensen, "I'm very well pleased with the record set this year."

"This is Wyandotte"—"we need a longer musical bridge—pick up those cues—slow down on those fade outs—start stretching!" With that another exasperated director collapses. Please do not be alarmed, gentle people! That gigantic conglomeration is not the forerunner of eternity. Those directions are clearly understood by the twenty-three members of the Wyandotte Radio Workshop. The student charging about the room working like the proverbial beaver is usually the director of the coming program. This woeful soul is in complete charge of the casting, preparation, and presentation of the script.

Radio Workshop offers any student who can qualify one of the most beneficial courses at Wyandotte. Its aim is to bring forth the natural talent of the student, teach him to accept responsibilities, and to give him the poise and assurance it takes to speak before an audience. For those whose primary interest is not in the forensic field of radio, there is the opportunity to learn the mysteries of the "sound man." Those who are musically talented may be interested in filling Jeanne Waldvogel's shoes. Every script needs music of some sort to set the mood of the scene.

ACK—ACK—ACK—ACK—the bullets from the machine gun resound as they strike the brick, some one yells, "Get down!" a man dashes into the street in front of the onrushing car—and as the driver swerves involuntarily, the car crashes into a building. Sounds interesting, doesn't it? This is just a portion of an original script written by Catherine Flowers which was presented by the class at the annual KU speech festival.

Under the direction of Mr. H. A. Billingsley, the class presented a demonstration of the Wyandotte High Radio Workshop before the English classes and sponsored a talent show composed of students from Argentine, Shawnee Mission, and Wyandotte. They introduced a new type of broadcast called Wyandotte Reports, and still managed to work in their usual 30 programs over KCKN.

Mr. H. A. Billingsley, who took the sponsorship of Radio Production when Miss Hoar resigned to be married, commented regarding the class, "This was an ideal class, if there ever was one. The students assumed all the responsibility for making each program a success; and regardless of whether they had supervision or not they carried on and got the job done. Their rewards have been better speech, learning to work together, developing their ability in creative writing and expression, developing initiative, and forming many lasting friendships."

Each year at Wyandotte a series of examinations is given by Mr. Hume to a group of students in the senior class to give them practical experience in taking college tests. This year the group was comprised of students who had been voted by their home room classmates as most likely to succeed and contribute to humanity. Although most of these tests were for practice only, they were climaxed with the test for scholarships offered by the Pepsi-Cola Company, the Summerfield Scholarship Test for boys, the R. O. T. C. tests, and the National Honor Society Scholarship test.

Assemblies

by MARIE MAZE

Our assemblies this year have presented a varied list of talented people as well as trained dogs, monkeys, doves, and a baboon.

The first assembly was sponsored by the Girls' League. New girls were welcomed to Wyandotte and introduced to the clubs and activities offered here.

A musical program by the White Hussars, under the direction of Herbert Petrie, featured the music of trumpets, trombones, piano and vocal numbers. Another musical assembly featured Henry Williams playing selections on his harp.

Student talent was found in abundance in the annual Hi-Y Talent Show. Presented in the show were an accordion number, readings, piano solos, a piano duet, vocal singing, and a dance. Nancy Davidson won first place with a reading; and Jim Davidson, with his reading, won second. Third place went to Mary Ann Hodges for her singing, and fourth to Mary Lou Crayne for her piano number.

Art students had the opportunity to hear Karl Bolander's lecture, "How to Win—With Art," while Anna Bird Steward, writer, gave advice on writing to English students.

Lawrence Baldwin and Bob Chaffin took the honors in the radio program, "It Pays to be Smart."

The sound of voodoo drums was heard as David Starry, noted author and lecturer on the West Indies, presented a program of voodoo and witchcraft.

Wyandotte's eighty-four piece symphony orchestra gave the annual concert in February. The drama and music departments worked together in presenting the traditional Christmas assembly. It was religious in character and very beautiful.

"Atomic Age" was the subject of George Stephens, naval reserve officer, in his talk to the students.

In the Fred Spooner program, two trained dogs appeared. Along with his talk on trained war dogs, Mr. Spooner demonstrated how to teach a dog to do tricks.

Then we all remember the Art Hook assembly in March and the last Girls' League program in April.

Football held the spotlight as everyone was given the opportunity to see the films of the Kansas University-Georgia Tech. game.

Monkey business at its best came to Wyandotte with Harry and Marie Mason. The hilarious antics of a baboon and several monkeys were featured along with the tricks of trained doves. Mr. Mason gave a talk on reptiles as he displayed several live snakes and a horned toad.

Many pep assemblies were held during the year. In one, the identity of Miss Mush, Wyandotte's mystery woman, was revealed to be Martha Mackish. Also, the Kay Cees presented their version of the radio program, "It Pays to be Ignorant."

This year, as always, assemblies have had a high place in Wyandotte's activities.

Stadium football rally; Kay Cees reveal Martha Mackish as the mysterious "Miss Mush" at a basketball pep assembly; Hi-Y Talent Show winners: Mary Lou Crayne (fourth), Mary Ann Hodges (third), Nancy Davidson (first), Jim Davidson (second); Christmas Assembly play "Why the Chimes Rang"; Winners of the KMBC "It Pays to be Smart" program: Bobby Chaffin (second), Lawrence Baldwin (first); Larry Ray at a pep assembly.

The Social Whirl

by BETSY SWIGART

Somewhere in Biology we learned that the lowly worm eventually emerges as a beautiful butterfly. The Wyandotte bookworm followed true to form when he emerged as a social butterfly often during the school year.

For the girls there were the Girls' League "Trolley Trek," ice-skating and roller skating parties at the Pla-Mor, a bowling tournament, and a lovely Mother-Daughter Banquet.

The Kay Cees took over the cafeteria and the Social Hall for two banquets, one in the Fall, honoring the football team, and one in the Spring, honoring the basketball and swimming teams.

The sweethearts of Wyandotte got together on March 5th for the annual "Sweetheart Hop," given by the Boys' "W" Club in the boys' gym. Everyone was happy to see Milton Wait and Patsy Bell crowned "King and Queen of the Sweethearts."

The Student Council sponsored three mixers after football and basketball games, inviting the members of the opposing teams to join in the fun.

The last date on the social calendar for 1947-1948 was the annual Junior-Senior Prom which the Junior class gave to honor the Senior class. It put a finishing touch on a year of social events that will be long remembered by all.

Football coaches Burns, Stevenson, Swaim, Ellis (head coach), Roy, Starbuck.

Having a super backfield and a powerful line the Wyandotte football squad battled the top teams of the state in a thrilling season. With victories over her city rivals, Ward and Argentine, the Bulldogs took the city championship. Captained by tackle, Eric Busch, and back, Dave Wilson, the Canines finished with a record of six wins and three defeats.

Ed Ellis handled the main coaching job for the second year after returning from the Navy, and for the sixth counting years before the war. Helping Ellis do a fine job was Francis Swaim. Around a nucleus of only five returning lettermen they developed a well rounded team.

After about three weeks opening practice, Wyandotte captured the season's initial game from Central High of Kansas City, Missouri, by the score of 18-6. Dave Wilson was the first to land in touchdown territory for the Bulldogs as he drove off right guard from the nine yard line. During the rest of the first half, two touchdown drives were sparked by Vernon Clary, Bud Kohler, Walt Orloff, and Wilson's passes to end Don Hursh. In the second half, over 40 Canine players saw action.

SEASON'S RECORD

Oct. 31—Wyandotte 13, Salina 0
Nov. 5—Wyandotte 6, Topeka 13
Nov. 13—Wyandotte 12, Lawrence 13

Traveling over to Shawnee Mission the Bulldogs were handed an 18-13 defeat by the experienced T-formation eleven. It was featured by Wyandotte's second touchdown, an aerial that from Wilson to Hursh gained 53 yards. Clary converted the extra point. The first counter was made by Wilson on a plunge through center.

At home the following Friday, the Canines marched over the Pioneers from Leavenworth, 20-0. The combination

of Clary, Kohler, Orloff, and Wilson behind a powerful forward wall was too much for Leavenworth as the Red and White took the ball on the kickoff and paraded 72 yards in a touchdown drive. Then, minutes later, Wyandotte again took possession of the ball and repeated their first performance. Early in the second half end Marvin Rengel set up a score by recovering a Pioneer fumble. Again approximately 40 players saw action.

Piling up 277 yards rushing to Emporia's 58, Wyandotte's super backfield behind an oncharging line took an easy 32-12 victory over the visiting Spartans from central Kansas. Midway in the third quarter, ahead 25-6, the Bulldogs switched to the T-formation and Orloff taking a handoff from Clary, scampered 57 yards for a six-pointer and one of the most beautiful dashes of the season.

High altitude didn't stop the Canine force as they won over the fighting Mustangs, 14-6, on the Argentine field. Two smacking drives, each climaxed with Orloff ramming over and Clary converting accounted for Wyandotte's points. In the closing seconds of play the crowd was given a thrill as tackle Bill Holton ran 30 yards after taking a lateral from end Ed Hanson, who caught a 20 yard pass and ran 14 yards before passing off in the play which made Argentine's only counter.

Then came Ward! With the score 6-6, Dave Wilson pulled the Ray Evans' play, good not just for 30 yards, not just for a touchdown, but good for a victory. This, the last play of the game, was the specialty that topped off the other 59 minutes and 30 seconds of the thrill-packed tussle for a crowd of 7000. Waiting until the fourth period to score, Ward took the lead, 6-0, with a touchdown pass from Nick to Dollard. Taking the following kickoff the Canines evened the game up at 6-6 by driving 60 yards for a score. The dream backfield collaborated to carry the spheroid all the way with Wilson plowing over. Then when Ward was forced to punt after receiving the Bulldog's kickoff, Clary returned the punt to the Cyclone 40. From there a pass, Wilson to Hursh, took the ball to the 25 yard mark, where the winning play started.

The Ellismen racked up number six, a 13-0 victory over Salina on the home field. The first counter came from the gains of the super four; while the second was set up by the recovery of a Maroon fumble by Hursh. Wilson plunged over for both counters.

In the last home game of the season the Bulldogs were on the short end of a 13-6 struggle with the always power-

ful Topeka Trojans. Wyandotte scored early in the second quarter after Mebus Bartling recovered a Trojan fumble. Rated as number two in the state, Topeka was held scoreless until the second half, in which they scored twice; once on an 80 yard kickoff return.

Closing the season the Bulldogs were edged out 13 to 12 by the mythical state champions, the Lawrence Lions, in one of the closest fought battles of the season. Center Bud Roberts blocked a Lawrence punt and set up the first touchdown; while the second was made by a series of line bucks, chiefly by Wilson. Lawrence's two scores and the game winning extra point were all the result of passes.

Five bulldogs merited selection on one or more of the four all-city teams selected by the Kansan, Star, Pantograph, and KCKN at the end of the season. They were: Mebus Bartling, guard; Don Hursh, end; Bud Kohler, back; Bud Roberts, center; and Dave Wilson, back. Wilson, co-captain and a three-year letterman, captured places on all four teams and won a backfield position on the mythical all-state second team. Also Wilson was high scorer with 80 points to his credit. Don Larson and Roger Tuttle lettered as managers.

March 12 ended the Wyandotte schedule with the basketeers placing third in the Regional Tournament by defeating Atchison 45 to 36. Coach Marion Wools and the team should be congratulated upon completing a successful season of 10 wins against 12 defeats. The statistics, in this case, do not tell the whole story. When Coach Wools makes the schedule, he doesn't pick the teams just to make the statistics look good. He picks the toughest, and the best teams available, throughout the whole state.

Francis Swaim, freshman coach; Marion Wools, head coach; Carter Burns, reserve coach.

With five returning lettermen, Walt Hicks, Milan Supica, Joe Latas, Joe McCaughey, and Jim Hataway, Wyandotte started off with a bang by defeating Central, of Kansas City, Missouri, to the tune of 33 to 19. Joe McCaughey with ten points, Jim Hataway, Walt Haskins and Walter Hicks, with six points each, kept Wyandotte in front. Next Wyandotte squeezed past Rosedale 33-32, thanks to Hataway and Joe Latas, 6 foot 6 inch center, who combined hits for 27 points. Wyandotte's offense was clicking as Supica and McCaughey each got eleven points to completely swamp Chanute 60-24. Bill Strumillo and Joe Latas were close behind with 10 and 9 respectively. Wyandotte lost the first of 10 overtime games under Coach Wools to the North East Vikings by the score of 36-35.

After the Christmas holidays the Wyandotte Quintet looked good as they came up on the heavy end of the score, beating Argentine 33-31. Our spirits soon

dropped, however, as we lost the next two games to Topeka and Ward.

The Canines lost to Wichita North 29-34, at the Emporia tournament, but came back in the second round to beat Emporia 32-30, placing third in the meet. In the latter game Coach Wools started an all Junior lineup with Haskins at center, Bill Strumillo and Marvin Rengel at forwards, and Bud Kohler and Bud Roberts in the guard slots.

Wyandotte lost a very close game to the Lawrence Lions by 4 points, then came back to edge out the second top team in the state, Salina. McCaughey hit for 12, Latas 9, and Strumillo turned in 8 points, to show the Maroons who was boss. This was the best-played game of the year, as Wyandotte won 37-36.

The Cagers kept on going by beating Columbus 48-31, but couldn't hold the pace, for the next day they lost to Pittsburg 31-39. After dropping games to Topeka and Shawnee Mission, the Bulldogs defeated Hutchinson as sharpshooters Strumillo, McCaughey and Latas poured in the goals to win 39-36.

Ward, for the second time this season, blew past a stubborn Wyandotte crew before a capacity crowd in Memorial Hall. The first half was a typical Ward-Wyandotte game as the Canines matched the Cyclones point for point. The second half was different, however; the Wardites kept piling up points to slowly pull away and win. Bill Strumillo again was the big gun with 13 points, Bud Roberts got 4, Latas and Wilson 3 each, Supica 2, Hicks and Hosking, each 1.

Argentine finished up the regular season beating the Canine cagers 22-20 with a sensational last minute play; getting revenge for the double overtime loss on their home court earlier in the season.

The Wyandotte guards, Dave Wilson, Walt Hicks, Ed Hosking, Bud Roberts, and Bud Kohler did their best at the hard job of setting up the plays and getting the ball up to the forward wall composed of Bill Strumillo, Jim Hataway, Joe McCaughey, Milan Supica, Marvin Rengel, Walt Haskins, and Joe Latas. Congratulations to Coach Wools and the team for an exciting season.

Davis and Boddington start the 100 *yard free-style*

Unable to recover from the loss of all but two starters on last year's championship team, the Wyandotte Waterdogs were forced to be content with fourth place ranking in the 1948 state meet held at Wichita North High School, February 28, relinquishing their title to the Coffeyville Tornados. The only medals brought home by the squad were those earned in the 160 yard free style relay in which our team took second place, just being touched out by Wichita East. The other points brought back were earned by the fourth place medley team; Bud Boddington, fifth in the 100 yard free style; Berry Laws, fifth in diving; and John Welsh, fifth in the 100 yard back stroke.

Coach W. D. Roy called his first practice on November 5. The next two months were spent in hard work preparing the boys for a season consisting of ten meets. The Waterdogs met defeat at the hands of the Wichita East swimmers, 55-11 in the first meet, January 16. During the remainder of the season the Waterdogs came out on the top end of the score three times, beating Topeka twice and Southwest once, and met defeat five times. In the state meet Coffeyville led the pack, with forty-nine points, while Wichita East was second with 43 points nosing out Wichita North who had 40 points. The Wyandotte squad came next with 15 points and Topeka trailed with 7.

This year's squad was made up of nine Juniors and Sophomores and three Seniors. They are as follows: 40 yard free style: Milton Wait (captain) and Mebus Bartling; 100 yard breast stroke: Bob Hedstrom and Howard Faerber; 220 yard free style: Davy Davis and Tom Whistler; 100 yard back stroke: John Welsh and Dalton Connor; 100 yard free style: Bud Boddington and Bob Fromm; and in diving: Berry Laws and Jim Parke. Track

by JOE MCCAUGHEY

Coach Starbuck

The Wyandotte track squad of 1948 will be built around 18 returning lettermen. The team will be co-captained by Milan Supica and Joe McCaughey. Milan Supica, who tied a 17-year-old school record of 51.7 in the 440 yd. dash, will be back to perform in the middle distance runs and dashes. Joe McCaughey, who placed fourth in the 100 yd. dash in the state meet and ran on the state championship 880 yd. relay team, will specialize in the dashes.

Rounding out the senior lettermen we find Walt Orloff and LaVern Koontz, two fleetfooted-dashmen; Bill Webb, Francis Atkins and Don Landes in the middle distance runs; Paul Stewart and Wilbur Schleifer in the distance races; John Cooper, hurdles; Bill Richards in the shot put; Marion Ostenak in the shot and discus; Vernon Clary, javelin, discus and broadjump; and Ed Hosking will be back to take over the high jump. Three sophomores and one freshman were awarded varsity letters last year. Marvin Rengel, who set a new school record in the pole vault by clearing the bar at 11 feet 10 inches, looks like a future "state champion," while Bud Kohler proved to be the speedy timbertopper in the low hurdles. Walt Haskins will be one of the chief weight men. The lone freshman of last year who lettered is Frank Cindrich, speedy dash and middle distance runner.

Paul Starbuck will again assume the duties as head track coach after leading the "47" team through one of the best seasons in the school's history. Wyandotte was once state champion in track, but this year Coach Starbuck is hoping to take a team to the state meet that will reign as the best the school has ever had. Assisting Starbuck will be Carter Burns and Francis Swaim while Don Kyle coaches the reserve team and Lester Ramsey the freshman team.

Against eight schools in the regional Wyandotte ran away with the meet by scoring 66½ points. In the regional Tom White broke his own school record by the time of 2:00.1 in the 880 yd. run. A week later the state meet

took place at Manhattan where the Wyandotte Team scored 22½ points to take 3rd place honors. Tom White took first in the half mile in the same style that has made him one of the greatest runners to ever come out of Wyandotte. The undefeated 880 yd. relay foursome of Joe McCaughey, Lyle Peck, George Kanas, and Tom White took a first in that event with a time that made them one of the best high school relay teams in the nation. Others who placed in individual events were Don Hufford, who tied for first place in the pole vault, Dee Roy in the broad jump, Lyle Peck in the 220 yd. dash, Milan Supica in the 440, and Joe McCaughey in the 100 yd. dash. Later in the spring the 880 relay team won first in the Missouri Valley A.A.U. meet.

The cinderdogs start the season with the Big Seven Invitational Tournament at the Municipal Auditorium, Feb. 28. The track season officially opens with the Ottawa relays held April 3. The following successive weeks will find Wyandotte entered in such meets as the triangular at Shawnee Mission, K. U., relays at Lawrence, Baker relays at Baldwin, Triangular meet at Topeka, Regional at K. U. and the state meet at Manhattan.

Last year Wyandotte placed second at the Ottawa relays. In the second meet they edged out Shawnee Mission to win the City. At the 43rd running of the Kansas relays the tracksters placed second in a field of more than twenty AA schools. At the Baker relays the Canines place second to Topeka. In the Wyandotte Invitational meet the Bulldogs displaying power in the dashes and middle distance events sped past a relay-conscious crew of Topeka Trojans and three other schools to win. The thinclads entered a duel with Shawnee Mission and placed in all events, capturing eight firsts in the victory.

Baseball

Coach Ward Neel

Being the last sport of the school year was no handicap to Wyandotte's baseball team as they came through an exciting 1947 season with 11 wins and 6 losses under the coaching of Ward L. Neel.

The team struck a snag at the beginning of the season when they were trounced by Topeka in a double-header on the home diamond, but they soon came back with the following games ending in their favor. They succeeded in finishing the season with a twin bill victory over Ward and a single over De LaSalle.

The Neelmen were eliminated in the first round of the state regionals at Topeka when they were defeated by the Topeka Trojans to the score of 12-5.

This year the netsters have one returning letterman, Richard Carter, captain, and three regulars, Kenny Glimpse, Jimmy Parke, and Robert Medearis.

The "47" Tennis Dogs were host to ten schools in an Inter-State Tennis Tournament. Topeka and Westport came out on top winning the singles and doubles, respectively. Wyandotte also participated in the Inter-City Tournament which was held at Penn Valley Park, sponsored by Westport. It was won by Westport with Wyandotte taking second.

The record for the 6 regular meets, besides the tournaments, were 2 wins, 2 calls, and 2 losses. Those who received letters were Richard Carter, David Day, Charles Hudson, and Kenny Medearis. The tennis team was sponsored by Mr. Gregory and given some of the finer points of the game by City Champion, Ed Pearson.

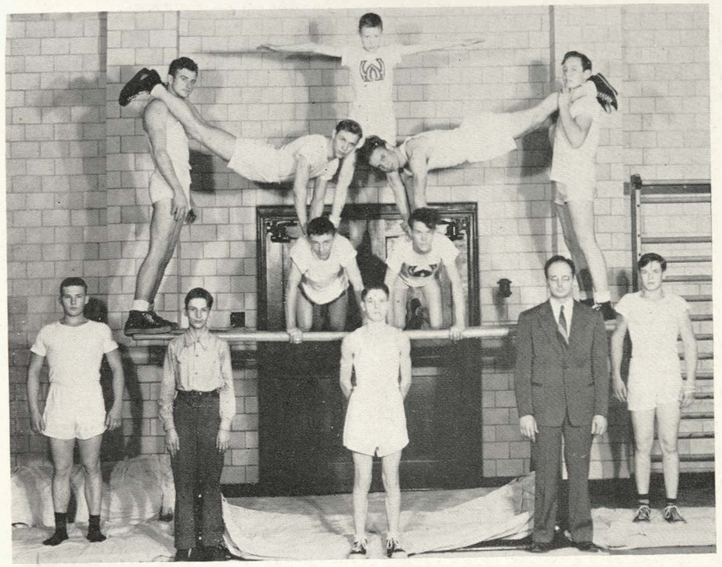
Tumbling



This year's tumbling team will lose two lettermen including the team's captain, Tommy Lantz, and Robert Smith, who specializes on the springboard. To be eligible for a letter you must be on the team for two years, without missing more than two events. Those receiving letters this year are Tommy Lantz, Robert Smith, and Harry Mills. Exhibitions are given at halftime during the basketball season and on other programs. Each year the final tumbling event is given at Turner Hall in Kansas City, Missouri.

The prospects for a team next year are very good, with the biggest hopes lying in the hands of two Juniors: Frank Stodgel and Lyle Rhea. Dewey Bernard, Jack Hanson and Bill Smith are three good prospects who are Sophomores. The team was coached by Orville McHenry and was managed by Melvin Walker.

The Girls' Athletic Association is open for membership to all girls in Wyandotte. If you want to get acquainted and are interested in sports, this is the club to join. This club will help you develop good sportsmanship for your later years in life.

The G. A. A. has sponsored homeroom tournaments for the past two years. Every girl in the homeroom is urged to participate and join in the fun. The tournaments are organized by grade classifications. After a winner is found from each class, they play inter-class games to determine the final winning team.

This year tournaments were held in softball, volleyball, and basketball. In the softball tournament, bad weather prevented the playing of the finals, but the winners of the semi-finals were: Seniors—Martin and Theis; Juniors—Cosner and Gray; Sophomores—Tharp and Timmer; Freshman—Smith and Hill. Cook and Brown homerooms combined made up the winning team in volleyball. The winners of the basketball tournament were the Seniors of Beck's home-room. The G. A. A. also sponsored other games such as ping pong, shuffle board, tennis, and archery.

The girls who are the most interested in G. A. A. work for a letter. This is done through a point system. Each girl gets so many points for every time she participates in some sport. After earning 600 points you receive a small girls' "W", 1000 points and you are awarded a large letter. The three girls that have the highest number of points and all over 1400 are awarded a gold pin.

Miss Barnett also sponsors an officiating class for girls who are interested in conducting the basketball games. She gives them extra training in classes after school. Each year, in the spring, the G. A. A. is hostess to other schools in a "sports day" contest.

The officers were as follows: Wanda Byars, president; Joyce Beck, vice-president; Sue Ashley, secretary; Phyllis Suetter, treasurer. Miss Helen Barnett and Miss Ardis Hill are the sponsors.

"Double Date"

The Kay Cees started Wyandotte's drama season with an hilarious three act comedy called "Double Date." Tenneck College in New Hampshire has its annual winter carnival in which each fraternity house has a candidate for the queen. Complications begin with the choosing of the queen and the discovery of an unknown prince. The winter scene was designed by Emelie Trickett. Miss Besse Helwig was director; she and the cast deserve our compliments for an excellent production.

The students of Wyandotte High School in finding the outstanding features of their school can point to their cafeteria with pride in knowing that it is one of the largest, most efficient, and well-run cafeterias in the Middle-West. Helping to live up to the standard of previous years, by conducting order are those of the Courtesy Club.

This organization, which was created last year in connection with the School Council, is composed of members of the student-body who are willing to volunteer their time during their fourth hour study period. It is their duty to assist the faculty in running smoothly a cafeteria which serves nearly 2,000 persons daily. They also have charge of the playing of recorded music for everyone's pleasure during the lunch-hour. For their own enjoyment, several parties and other entertainments are held throughout the year. Floyd Garrett, president of the Astronomy Club, and his fellow officers: Bert Adams, vice-president; and Harry Walthal, secretary-treasurer; claim their club to be the least formal here at Wyandotte. Once a week, on Thursday night, the group meets to hold informal discussions and to carry out their program for the evening. Will Adams, '47, organized the club last year, when he became interested in Astronomy. Dr. Eric G. Haden and Mr. Lewis Kruger are the two other sponsors. Dr. Haden has been working on a six inch telescope which is nearing completion.

Boys' "W" Club

by ARLENE HEIMBURGER

In order to become eligible for membership in the Boys' "W" Club a boy must make a first-team letter in one of the major sports. Football, basketball, baseball, swimming, track and tennis are included. An annual event sponsored by the "W" Club is the Sweetheart Hop at which the King and Queen of Wyandotte are elected. In the fall and in the spring of this year the "W" Club held parties for its members and their guests at the Youth Center of the First Pilgrim Congregational Church. The sponsor of the Boys' "W" Club is Coach Walter Roy, and the officers this year were: Dave Wilson, president; Milan Supica, vice-president; Walter Orloff, secretary; Bill Webb, treasurer.

The Girls' "W" Club was organized in 1922 when Wyandotte had a girls' basketball team that played interscholastic basketball. At the present time membership in this club is based on a point system. When a girl earns 600 points in girls' sports, she automatically becomes a member of the club and is entitled to a small "W". The total of 1000 points constitutes enough for a large "W" and after 1400 points have been earned, a girl is awarded her gold "W" pin, which is the highest honor that any girl can achieve in Wyandotte sports.

Each year the Girls' "W" Club sponsors a Girls' Sports Day in which other schools take active part. This year the Club held a basketball tournament.

The sponsor of the Girls' "W" Club is Miss Helen Barnett, junior and senior physical education instructor. The officers were: Jackie Clement, president; Betty Hendershott, vice-president; Betty McPherren, secretary-treasurer.

The two major activities of the club are occasional demonstrations and the Life Saving and Water Safety tests of the American Red Cross. The demonstration this year was given two nights.

Sixteen members of the Club gave a demonstration of synchronized swimming at the Kansas City Athletic Club Pool in April. The swimming program on which they appeared was one session of the National Health and Physical Education Association which met this year in Kansas City, Missouri.

A regular social and business meeting is held each month, either at school or at some member's home. These girls plan a wide variety of activities for the year. Chili suppers, bowling parties, over night camping trips, a tea for the Mothers, selling seasonal greeting cards, and a candle light initiation service are just a few to be mentioned.

Reserving tickets, arriving early and staying late, seeing to the seating of the patrons and being gracefully useful are the main services. It's open to all girls and this year there are twice as many because of two performances of the plays instead of the usual one. "Home, Sweet Homicide"

Murder! Blackmail! Suspense!

Where were you on the night of March nineteenth? Hm-m? You should have been at the Wyandotte High School Auditorium, observing the antics of two teen-age sisters attempting to solve a murder mystery and marry off their mother to the handsome police lieutenant. In the process they involved the neighborhood gang, a beautiful movie actress, and her fiance. This was the plot of the Dramatics Club play. "Home, Sweet Homicide," produced under the direction of Mr. W. J. Knapp.

Scholarship, Leadership, Character, and Service are the requirements a student must fulfill before being accepted into the National Honor Society. Selection of members is made by a faculty committee headed by Miss E. Maude Moles. Wyandotte confers membership in the National Honor Society as a challenge to greater achievement.

The National Honor Society was created as a national organization in 1921 and established at Wyandotte in 1925. Membership in this Society entitles one to wear a small gold pin bearing the emblem of the torch of knowledge.

After students have been accepted, they are initiated into the organization by the traditional Sacred Flame Ceremony, held each spring in Wyandotte's auditorium. This ceremony is a beautiful and very impressive candlelighting service. Here each boy and girl accepts the challenge of the Spirit of Achievement by repeating this pledge:

"In all humility, I pledge myself to be honorable, to serve, to lead aright, to uphold scholarship, and thus to keep alive the sacred flame."

Senior Class Officers

by MARIE MAZE

The 1947-48 senior officers were Wilbur Schleifer, president; Dave Wilson, vice-president; Martha Mackish, secretary; and Milton Wait, treasurer. They have lived up to the high standards of senior officers and have led their class through a very successful year with the help of Miss Nelle Cook, sponsor.

Wyandotte has been in this building since the fall of 1937, and many capable students have led successive classes. Looking back to the class of 1938, the following senior presidents have worn the traditional robe of authority and knowledge.

Class of 1947—Don Wilson
Class of 1946—Hugh McCaughey
Class of 1945—Don Roberts
Class of 1944—Glenn Channel
Class of 1943—Ray Honza
Class of 1942—Wallace Grimes
Class of 1941—Walter Verbanic
Class of 1940—Clement Williams
Class of 1939—Groff Miller
Class of 1938—Stanley Lind

"Dear Ruth"

Left to right: Jim Davidson, Floyd Garrett, John Nicklin, Maxine LeRow, Virginia Wingett, Jack Hume, Shirley Jenkins, Mary K. Mitchell, Don Hursh, Doris Stromenger.

"Dear Ruth," a comedy in two acts was presented by the seniors, under the direction of Mr. William Knapp. Miriam, Ruth's little sister, was president of the Bundles for Britain Society. Through this she started writing to Lieutenant William Seawright—only she used Ruth's name. Then Bill Seawright returned home from overseas and came to call on Ruth, who only then found out about Miriam's letter writing. She decided she would go through with the act of pretending she had written the letters, since Bill was only going to be home a day or two. Albert, Ruth's boyfriend, objected very much, but he was overruled as Mr. and Mrs. Wilkins, Ruth's parents, were in favor of Ruth's making Bill's few hours enjoyable. Bill's sister, Martha, came to visit Ruth and met again Sergeant Chuck Vincent, the man to whom she had once been engaged. The complications which arise are numerous, but all ends happily as Judge Wilkins performs a wedding on the stage.

For Seniors Only

by JANET GREGORY

It's here!—that future we are so often told about in glowing terms, those boundless opportunities. It's along about this time that suddenly that distant future looms up alarmingly near at hand. Almost tomorrow we'll be in jobs that will be our life work, or in the colleges of our choice, our senior class scattered, never again to be united in one body. Along about this time, graduation time, it's reassuring to take one last glance backward, at those four years of high school that have passed so quickly.

Remember us, when we first entered Wyandotte? We were freshmen, and frankly we were scared—awed by the size of the school and by the authority of the seniors. But soon we began to find our way around Wyandotte, and by the end of the year we were Bulldogs with the best of them.

The Quiverian was dedicated to peace the year we were sophomores. With our class increased by arrivals from the junior high schools, we knew this was the beginning of an even better part of our high school life.

In our junior year Wyandotte's halls had a new look, with the start of a new administration under Principal R. C. Johnson. We presented a teen age comedy, "A Date With Judy," for our class play, and when, near the end of the year we had given a successful junior-senior prom, we felt all set to be the big wheels around the school the coming year.

Seniors now, we wear senior rings, have had our senior pictures taken, and ordered cards and announcements. Our class play was "Dear Ruth," another comedy. As serious seniors we worked harder than ever before—after all, we were running the school, weren't we? Faster and faster the events of the senior year rolled to their climax, the senior breakfast, baccalaureate service, commencement night! And suddenly then, it is all behind us.

All behind us? No, a large part of our high school life will never be left behind. We'll always remember social hall in the morning, the Christmas assemblies, the football games, the parties. We'll always stand when Wyandotte's songs are played. Wherever we are when a year, or when ten years have passed, the class of '48 will be remembering Wyandotte.
